

# AMERICAN ASSOCIATION OF PHYSICIANS OF INDIAN ORIGIN

*At any time, 1 in every 7 people in the USA is touched by the care of a physician of Indian origin.*

Founded in 1982, the American Association of Physicians of Indian Origin represents more than 80,000 practicing physicians in the United States. In addition, it also serves as a platform for more than 40,000 medical students, residents and fellows of Indian origin in this country. AAPI also has a charitable foundation that spearheads free clinics and health fairs in India. At Rowan SOM, AAPI is a forum to enable Indian American Physicians to excel in patient care, teaching and research and to pursue their aspirations in professional and community affairs while also promoting intercultural professional solidarity and cultural competence.

## Major AAPI Events

*As a member of AAPI, you will get discounted tickets and priority for participation in all of our events. Our events are some of the largest hosted by Rowan SOM, with several Deans, professors and peers consistently in attendance.*

- Garba Night
- Annual Cultural Show
- Holi

## Additional Membership Benefits

- Several leadership positions available for 2019
- Participate/teach South Asian themed fitness classes
- Choreograph/dance for the annual cultural show
- Fun way to earn TOUCH hours!
