

American Medical Women's Association

AMWA is a national organization consisting of physicians, residents, medical students, pre-medical students, additional health care professionals, and supporters. AMWA is the oldest multispecialty organization dedicated to advancing women in medicine and improving women's health. Our mission is to advance women in medicine, advocate for equity, and ensure excellence in health care.

At RVSOM, some of our most popular events include: physician panels, volunteering at Prevention Point's Womxn's Night, Breast Cancer Awareness events, and mentorship circles for pre-medical students. We are always excited to welcome new members and host new events each year!
