

## Rowan SOM Cardiology Club

---

The Rowan Cardiology Club is an interest group for students with a liking for cardiology. Members are educated in recording blood pressures and heart rates, auscultating the heart, cardiac ultrasound techniques, and simulation and management of cardiac patients.

Membership is **free** and includes **free** membership to the American College of Cardiology.

---

### Events:

- Auscultation and heart sounds workshop
- American Heart Association Heart Walk
- Blood pressure and heart rate screenings at:
  - Salvation Army Kroc Center, Camden
  - Christ Community Church, Lindenwold
- Blood drives
- Clinical skill workshops
  - Discussion panels and forums with cardiologists/cardiology fellows
- Cardiology conferences and scientific sessions

---
