

Dear Class of 2025:

Welcome to Rowan SOM!

As you may have heard, health insurance is a university requirement, and students are required to either enroll-in or waive Aetna Student Health each academic year. If you have health insurance through another carrier and seek to waive participation in this coverage, **you must complete the waiver form by September 20, 2021**. If you do not complete this process by September 20<sup>th</sup>, the Aetna premium will remain as part of your tuition bill and **is non-refundable**.

The premium for Aetna Student Health is \$5,384 for the coverage period of July 15, 2021- July 14, 2022.

**TO WAIVE:**

1. Go to University Health Plans
2. Enter your Date of Birth and Student ID
3. Click on “Continue”

Please note, you will be required to provide information regarding your plan. Have your insurance plan information and insurance card in front of you when completing the waiver questions. Once you have completed the waiver, you will receive a confirmation email from University Health Plans. Please keep this confirmation for your records. The health insurance fee will be removed from your bill within 1-2 weeks. If you already paid this premium, it will be refunded by the Bursar’s Office. *Waiver submissions will be reviewed by University Health Plans. If University Health Plans is unable to verify your insurance coverage is active, Rowan University will enroll you in the Aetna Student Health plan and your account will be billed accordingly.*

**TO ENROLL:**

2. Enter your Date of Birth and Student ID
3. Click on “Continue”
