

Improving global prehospital and emergency medicine, public health, and disaster health care and preparedness www.wadem.org

WE'RE LOOKING FOR PROSPECTIVE SERVICE LEADERS!

Student Doctor ____;

your mission, should you accept it, is to...

1. Don your supermask and cape,
2. Learn how you can be ready for your patients, when disaster strikes outside of the E.R,
3. Expand your worldview outside the E.R,
4. Be a servant leader.

Prospective Missions:

- ☐ Quarterly journal review meetings discussing current research in the field of Disaster Medicine and its various subspecialties.
- ☐ Coordinate a triage simulation (COVID-19 Pending)
- ☐ Bring in speakers to present on Biological/Chemical Warfare
- ☐ Encourage integration between all healthcare fields, such as Nursing, Physical Therapy, EMT, etc
- ☐ Collaborating with local and international organizations and communities to simulate disaster response scenarios (COVID-19 Pending)

The rest of the planned activities are up to you!

Take the INITIATIVE TO CREATE YOUR OWN EVENT!

All E-Board Positions Are Open!

All medical students from all specialties are **WELCOME!**

Interest meeting regarding club philosophy, membership and E-Board position applications is coming soon to a Webex near you. Stay tuned!

Meanwhile, please peruse the official WADEM website at <https://wadem.org/sigs/students/> or email WADEM RowanSOM SSIG Co-President Penafrancia (Pia) Malcampo at malcam12@rowan.edu
