RECOGNITION

A. The University hereby recognizes the University FOP Lodge 155 as the exclusive representative for the purpose of collective negotiations for all terms and conditions of employment in a unit of employees employed by the University at all its locations.

B. The employees included are:

All regular full-time Sergeants and Lieutenants of the University at the Rowan School of Osteopathic Medicine.

The employees excluded are:

All other employees of the University including Rowan University Campus Police Officers and any other law enforcement officers at other Rowan campuses.

ARTICLE 1

MANAGEMENT RIGHTS

The University retains and may exercise all rights, powers, duties authority and responsibilities conferred upon and vested in it by the laws and constitutions of the State of New Jersey and the United States of America.

Except as specifically limited or modified by the terms of this Agreement, or by law, all rights, powers, duties, authority, prerogatives of management and the responsibility to promulgate and enforce reasonable rules and regulations governing the conduct and activities of employees are also retained by the University, whether exercised or not, and are to remain exclusively with the University.

ARTICLE 2

PRIOR BENEFITS AND POLICY

Except as provided elsewhere in this agreement, the parties agree to be bound by current University Policy.

ARTICLE 3

GRIEVANCE PROCEDURE

Section A

Definition of Grievance

The term "grievance" shall mean an allegation that there has been:

1. A breach, misinterpretation or improper per application of the terms of the Agreement; or
2. The claimed violation, misinterpretation, or misapplication of rules or regulations, existing policy, or order of the University affecting the terms and conditions of employment.

Section B

Purpose

1. The purpose of this procedure is to assure prompt and equitable solutions of problems arising from the administration of this Agreement or other conditions of employment by providing an exclusive vehicle for the settlement of employee grievances.
2. It is agreed that the individual employee is entitled to utilize this grievance procedure and to the FOP Lodge 155 representation in accordance with the provisions thereof. He or she shall not be coerced, intimidated or suffer any reprisals as a direct or indirect result of its use.

Section C

General Provisions

No grievance settlement reached under the terms of this Agreement shall add to, subtract from, or modify any terms of this Agreement.

Nothing in this Agreement shall be construed as compelling the FOP Lodge 155 to submit a grievance to arbitration. When a grievant has FOP Lodge 155 representation, the FOP Lodge 155's decision to request the movement of any grievance at any step or to terminate the grievance at any step shall be final as to the interest of the grievant and the FOP Lodge 155.

Any claim of unjust discipline against an employee shall be processed in accordance with the provisions of this Article.

Reference by name or title or otherwise in this Agreement to Federal or State Laws, rules, regulations promulgated there under, formal policies or orders of the State and/or University shall not be construed as bringing any allegation concerning the interpretation or application of such matters within the scope or arbitrability as set forth in this Agreement except as specifically provided in this Agreement.

Should a grievance not be satisfactorily resolved, or should no decision be forthcoming in the prescribed time limits at Step One or Two, the grievance may in accordance with the provisions of this Article, be submitted to the next step. The lack of response by the University within the prescribed time, unless time limits have been extended by written mutual agreement, shall be construed as a negative response.

If the finding or resolution of a grievance at any step in the grievance procedure is not appealed within a prescribed time, said grievance will be considered settled on the basis of the last answer provided, and there shall be no further appeal or review.

Grievance resolutions or decisions at Step 1 and/or Step 2 shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made by a duly authorized representative of the University and the FOP Lodge 155. This shall not be construed to preclude either party from introducing relevant evidence, including such grievance resolutions, as to the prior conduct of the other party.

No adjustment of any grievance shall impose retroactivity beyond the date on which the grievance was initiated or the ten (10) day period, provided in E.1 below except that payroll errors and related matters shall be corrected to the date of the error within a one (1) year limitation.

The FOP Lodge 155 authorized representative and the University have the right to examine or cross-examine witnesses who appear at any step of this procedure.

All time limits are of the essence and may be extended only by written mutual agreement between authorized representative of the University and the FOP Lodge 155. Grievances not raised and processed in strict and absolute accordance with the grievance procedures and time limits will be waived by the FOP Lodge 155 and employee and will not be considered.

A grievance which affects a substantial number of employees, or in a case of suspension without pay or discharge, or which the Senior Director of Public Safety lacks the authority to settle, may initially be presented at Step Two of the grievance procedure.

Section D

Preliminary Informal Procedure

An employee may orally present and discuss a grievance with his/her immediate supervisor on an informal basis. At the employee's option, he/she may request the presence of a FOP Lodge 155 Representative. If the employee exercises this option, the supervisor may determine that the grievance be moved to the first formal step.

Informal discussions shall not serve to extend the time within which a grievance must be filed, unless such is mutually agreed upon in writing.

If an informal discussion does not produce a satisfactory settlement, the grievant may move the grievance to the first formal step.

Section E

Formal Steps

Step One:

"All disciplinary, contractual and non-contractual grievances must be signed by the individual grievants." The grievance shall be reduced to writing and submitted to the Senior Director of Public Safety, Rowan University or his/her designee within ten (10) calendar days, from the date on which the alleged violation of the Agreement or policy took place or from the date on which the grievant should reasonably have known of its occurrence, whichever is later.

The Senior Director of Public Safety or his/her designee shall conduct a hearing and render a written decision within fourteen (14) calendar days after its receipt of the grievance.

Step Two:

If the grievance is not resolved satisfactorily at Step One, it may be appealed by written notice to the Assistant Vice President of Labor Relations, Rowan University or his/her designee within ten (10) calendar days, after the Step One decision was rendered or due.

The Assistant Vice President of Labor Relations, Rowan University or his/her designee will convene a hearing. The employee may be represented at such hearing by a representative of the FOP Lodge 155. The Assistant Vice President of Labor Relations, Rowan University or his/her designee will render a decision within ten (10) calendar days, excluding weekends and holidays from the date of the conclusion of the hearing.

Step Three - Arbitration:

In the event that the grievance has not been satisfactorily resolved in Step Two, and the grievance involved an alleged violation of the Agreement as described in the definition of a grievance in A l. above or in the case of discipline involves the following implemented disciplinary actions:

1. Suspension without pay of three days or more at one time
2. Involuntary Demotion not due to layoff
3. Discharge

then a request for arbitration may be brought only by the FOP Lodge 155 through its' President or FOP Labor Council within ten (10) calendar days from the date the FOP Lodge 155 received the Step Two decision.

The request for arbitration shall be submitted in writing to the Public Employment Relations Commission with a copy sent to the Assistant Vice President of Labor Relations, or his/her designee and the Director of the Governor's Office of Employee Relations. Arbitrators shall be selected, on a case-by-case basis, under the selection procedure of the Public Employment Relations Commission. A transcript of all arbitration hearings may be taken. All expenses of arbitration shall be borne by the University and the FOP Lodge 155 equally, except that the cost of preparing and presenting each party's case, the cost of each party's transcript or charge for a late cancellation shall be borne by each respective party. The parties reserve the right not to engage a court reporter if mutually agreed upon.

The arbitrator selected shall be requested to hold the arbitration within one hundred eighty (180) calendar days from the date selected and render his/her decision within thirty (30) calendar days after the close of the hearing or receipt of the transcript- whichever is later unless such time is extended by mutual consent of the parties in writing.

The function of the neutral arbitrator shall be of a judicial rather than a legislative nature. The arbitrator shall give effect to the plain meaning of the Agreement language and shall not interpret such language unless the meaning of the language is unclear or ambiguous. When an arbitrator is called upon to interpret language in this Agreement, he/she shall render a decision which is consistent with the plain meaning of the Agreement's language, consistent with the common law of contract interpretation and with general considerations reserved to management by the Public Employment Relations Act and case interpretation of that Act.

The arbitrator shall not have the power to add to, subtract from or otherwise amend this Agreement nor shall he/she have the authority to prescribe a monetary award as a penalty for a violation of this Agreement.

Should the arbitrator reinstate an employee with back pay, the employee may be paid for the day(s) he/she would have worked in his/her normally scheduled work week, at his/her base rate of pay less any deductions required by law or other off-setting income for the back-pay period specified by the arbitrator.

The decision of the arbitrator shall be final and binding upon the University, the FOP Lodge 155 and the employee, unless either party seeks a review in an appropriate court proceeding. In the event either party seeks a review, such procedure shall operate as a stay of the arbitrator's award until the judicial review is concluded.

A neutral arbitrator may hear and decide only one grievance during one arbitration proceeding unless otherwise mutually agreed in writing by the parties. In the event that either party asserts that the grievance is barred or waived by the grieving party's failure to follow procedures or adhere to the time limits specified in this Article, the neutral arbitrator selected in accordance with the provisions contained herein shall render a decision as to the waiver or bar or issue prior to any hearing on the merits of the grievance, unless the parties mutually agree in writing otherwise. The parties agree that the issue of waiver or bar shall not be decided by the same arbitrator who decides the merits of the grievance, unless the parties mutually agree in writing otherwise. Both parties shall be given ample notice of the time and place of any hearing before the arbitrator and shall be afforded ample opportunity to present to the arbitrator evidence and contentions pertinent to the question at issue, including the direct and cross-examination of all witnesses.

The arbitrator shall not substitute his/her judgment for the University where this Agreement has specified whose judgment will be used or the matter involved has been reserved to the University by law or this Agreement.

Upon receipt of the arbitrator's award, corrective action, if any, will be implemented as soon as practical, unless a party wishes to challenge the award.

In the event such legal remedy is pursued, corrective action, if any, will be implemented as soon as practicable after final resolution by the courts.

ARTICLE 4

DISCIPLINE AND DISCHARGE

Section A

Discipline shall mean official written warning, suspension without pay, disciplinary demotion or discharge from employment at the University. Dismissal from employment or demotion based upon layoff or operational changes made by the University shall not be construed to be discipline. Oral counseling, although in writing, is not to be considered discipline and shall not be placed in the employee's central personnel file.

Section B

The University may in lieu of suspension for a fixed number of days, and upon the mutual consent of the union and the supervisor, deduct up to an equal number of days from the vacation balances. The disciplinary penalty will be equivalent to the same number of days of suspension and treated for all purposes as equivalent to a suspension.

Section C

Failure by the University to properly notify the FOP Lodge 155 will not void any disciplinary action, but the time limit for filing a grievance will not commence until the date the FOP Lodge 155 was notified of the action in writing.

Section E

An employee shall not be disciplined for acts which occurred more than forty-five (45) days after the date on which the person filing the complaint obtained sufficient information to file the matter upon which the complaint is based, except those acts which would constitute a crime or that relate to a University EEO investigation. The employee's whole record of employment shall be considered with respect to the appropriateness of the penalty to be imposed.

ARTICLE 5

EMPLOYEE RIGHTS

Any Member covered by this Agreement who receives a verbal or written request to report to the Human Resources Department, a supervisor, or other administrative officer of the University, on matters that the employee has reason to believe may lead to disciplinary actions against himself/herself, at the employee's request shall be accompanied by an authorized FOP Lodge 155 representative, providing a Representative is available within two hours of notification to the employee. If the meeting is investigative in nature, the FOP Lodge 155 representative shall serve only as a witness or advisor during subsequent interrogation.

Where a Member is being interviewed during the course of an investigation and where there is a reasonable likelihood that the individual being questioned may have formal charges preferred against him/her, the nature of those contemplated charges shall be made known to the Member.
