

JEWISH OSTEOPATHIC MEDICAL ASSOCIATION

For the Hebrews, Shebrews, and anyone
Inbetweenbrews out there!

JOMA is the Jewish Osteopathic Medical Association at RowanSOM. Each year we have multiple events that include holiday and Shabbat dinners, Chanukah and Purim parties, social mixers, fundraisers, and volunteer opportunities. Similar to Chabad and Hillel in many undergraduate institutions, JOMA provides students a chance to be a part of their religious community in medical school. JOMA aims to educate the community on Jewish practice as it relates to healthcare and to unite its members through social and religious programming. Join us for an exciting year!
