<https://meded.ucsf.edu/fund-opportunity/ash-minority-medical-student-award-program-mmsap>

Summer Project Option - 8-12 week program – Available to medical students completing their first or second year of medical school

Flexible Project Option – commitment of 320 to 480 hours over the course of a year. – Available to first through third year medical student.

Yearlong Project – participants take a year off from school to engage in research full-time – Available to second through fourth year medical students.

Summer Externship in Radiation Oncology

<https://www.jefferson.edu/academics/colleges-schools-institutes/skmc/departments/radiation-oncology/programs/medical-students/simon-kramer-externship.html>

Summer applications will be released in previous Fall

Open to first-year medical students

Required to conduct research on-site in Center City Philadelphia for at least 6-8 weeks

Carl M. Mansfield, MD Externship

<https://www.jefferson.edu/academics/colleges-schools-institutes/skmc/departments/radiation-oncology/programs/medical-students/carl-mansfield-externship.html>

Summer applications will be released in previous Fall

6-8 week program

Open to first-year medical students

Required to conduct research on-site in Center City Philadelphia for at least 6-8 weeks.

Summer Underrepresented in Medicine Medical Student Research (SUMMR) Program

<https://www.chop.edu/centers-programs/department-pediatrics/summer-research-scholars-program>

8 weeks

Available to medical students in their first and second-year

Offer a varied array of experiences across the Departments of Pediatrics, Surgery, Radiology, Psychiatry, Pathology and Critical Care Medicine/Anesthesia.

NIAMS Scientific Summer Student Internship Program

<https://www.niams.nih.gov/labs/education-training/student-research-training/summer-student-program>.

8 weeks

Summer internships begin in mid-May or early June

Open to all

Department of Physical Medicine & Rehabilitation of Northwestern University Feinberg School of Medicine Summer Externship

<https://www.feinberg.northwestern.edu/sites/pmr/education/medical-students/summer-externship.html>

6 weeks

Open to students between the first and second year of medical school

Cancer Prevention Research Training Program (CP RTP) Summer Research Program

<http://www.cancerpreventiontraining.org/Summer>

10-weeks

Available to first-year students

Penn Medicine Dermatology Research Fellowship

<https://dermatology.upenn.edu/education/fellowship-training/penndoc/more-info/>

Positions: 1-3

1 Year

Available to medical students between their third and fourth year

American Academy of Dermatology Association: Diversity Mentorship Program

<https://www.aad.org/member/career/awards/diversity>

1 Month

Available to all medical students but highly encourage third and fourth-year students

To be eligible to receive the scholarship, you must be a URiM

Neurosurgery Research & Education Foundation, Medical Student Summer Research Fellowships (MSSRF)

<https://nref.org/research/medical-student-fellowships/>

Summer Opportunities

May to August

Available to all medical students who have completed one or more years of medical school.

The American Association for Thoracic Surgery - Summer Intern Scholarship in Cardiothoracic Surgery

<https://www.aats.org/foundation/summer-intern-scholarship>

8-week program

Open to first and second-year students

NIH Medical Research Scholars Program

<https://clinicalcenter.nih.gov/training/mrsp/faq.html>

10.5-12 month program

Available to medical students in 2nd, 3rd, or 4th year at an osteopathic school accredited by the American Osteopathic Association

National Institute of Health Medical Research Scholars Program (NIH MRSP)

<https://clinicalcenter.nih.gov/training/mrsp>

10.5 to 12 months program

Eligible candidates are invited for interviews in March

Available to medical students in 2nd, 3rd, or 4th year at an osteopathic school accredited by the American Osteopathic Association

The NIH MRSP is a unique, year-long residential research training program which seeks to attract talented, research-oriented medical, dental, and veterinary students to the NIH intramural campus in Bethesda, MD, and its satellite campuses.

Year long research immersion program for future clinician-scientists

Candidates must be U.S. citizens or permanent residents.

Division of Anesthesiology, Critical Care and Pain Medicine (DACCPM) Summer Research Program

<https://www.mdanderson.org/education-training/research-training/early-career-pathway-programs/summer-research-programs/programs/daccpm-summer-research-program.html>

First-year medical students who have completed his/her first year

10-week program

Majority of trainees beginning at the end of May

Michigan Institute for Clinical and Health Research

Translational Science Immersion (TSI) Program

<https://umms.infoready4.com/#competitionDetail/1951599>

10-week program

Available to all medical students

NIDDK Medical Student Summer Research Program in Diabetes

<https://www.vumc.org/niddk/>

2-3 month program

Available to medical students in their first, second and third year.

American Society of Clinical Oncology Oncology Summer Internship

<https://dailynews.ascopubs.org/do/oncology-summer-internship-program-aims-increase-diversity-oncology-workforce>

Application period - October to January in their first year of medical school

Summer Opportunities

Available to rising second-year medical students from populations underrepresented in medicine.

FAER Medical Student Anesthesia Research Fellowship (MSARF)

<https://www.asahq.org/faer/programs/medical-student-fellowships/msarf-summer-program>

Summer Program

8 weeks

Available to medical students in their first, second and third year.

Pediatric Oncology Education (POE) Program

<https://www.stjude.org/education-training/predoctoral-training/internships/pediatric-oncology-education-poe-program.html#5f374d8d958540509e741d6ed31bacfe5cc1d756420673c819fc1a7dac5c20da=6>

10 weeks

Open to all medical students who have an undergraduate GPA of at least a 3.40/4.00 in math and science (biology, chemistry, physics) AND at least a 3.40 overall. Applicants must have research experience.

Substance Abuse and Mental Health Services Administration (SAMHSA) Summer Medical Student Program

<https://www.psychiatry.org/residents-medical-students/medical-students/medical-student-programs/samhsa-summer-medical-student-program/samhsa-summer-medical-student-program>

Summer Opportunities

4 weeks

All medical students interested in serving underserved communities to be leaders in the field of psychiatry.

AACOM Osteopathic Health Policy Internship (OHPI) Program

<https://www.aacom.org/medical-education/professional-development/leadership-institute/osteopathic-health-policy-internship>

8 weeks

Available to second and third-year osteopathic medical students

New York University Orthopedic Surgery Diversity Scholarships & Grants for Medical Students

<https://med.nyu.edu/departments-institutes/orthopedic-surgery/education/medical-student-education/diversity-scholarships-grants>

Deadline June 30th every year

4 weeks

Available to fourth-year medical students.

To be eligible to receive the scholarship, you must be a URiM or female medical student who is already accepted to the regular four-week rotation, be from an accredited allopathic or osteopathic medical school in the United States, be in good standing academically, and complete the elective.

Robert A. Winn Diversity in Clinical Trials Award Program

<https://winnawards.smapply.io/prog/winnacda/>

Summer Opportunities

6 weeks

Available to medical students in years 1-3 who will identify as a student Underrepresented in Medicine (URiM) and/or from a disadvantaged background.

Children's Hospital of Philadelphia Summer Underrepresented in Medicine Medical Student Research (SUMMR) Program

<https://www.chop.edu/centers-programs/department-pediatrics/summer-research-scholars-program>

8-week program

Available to medical students enrolled in U.S. medical schools, and are between their first and second years

Office of Minority Health (OMH) Health Equity Leadership Development Initiative (HELDI) at the Fitzhugh Mullan Institute for Health Workforce Equity

<https://www.gwhwi.org/omh-mldp.html>

1 year

Available to medical students but you are required to take a year of leave from SOM.

Medical Student Summer Research Experience in Radiation Oncology

<https://www.mdanderson.org/education-training/research-training/early-career-pathway-programs/summer-research-programs/programs/radiation-oncology-first-year-medical-student-program.html>

Summer Opportunities

10 weeks

Available to medical students in good academic standing who have completed their first year of medical school.

Med Students SOAR

<https://www.mdanderson.org/education-training/research-training/early-career-pathway-programs/summer-research-programs/programs/medical-students-soar-program.html>

Summer Opportunities

8 to 10 weeks

Available to 25 first-year medical students

Available to medical students in good academic standing who have completed their first year of medical school.

American Brain Tumor Association

<https://www.abta.org/medical-student-summer-fellowships/>

Summer Opportunities

3 months

Available to all medical students in good standing

UCSF Emergency Medicine Summer Fellowship for Underrepresented Minorities in Medicine

<https://emurmfellowship.ucsf.edu/application-requirements>
