Rowan-Virtua School of Osteopathic Medicine: Orthopedic Program

Adjunct Professor of Biomedical Engineering:

Henry M. Rowan College of Engineering

Fellow Royal College of Surgeons:

Ireland

Dr. Mc Millan is a board certified orthopedic surgeon with specialty certification in orthopedic sports medicine (CAQ). He is the Chief of Orthopedics at the Virtua Health Willingboro and Camden Campuses and serves as the Director of Orthopedic Sports Medicine at Virtua Medical Group. Dr. Mc Millan lectures and teaches nationally and internationally on a variety of orthopedic sports medicine topics and did his sub-specialty training at the University of Massachusetts. During this time he helped serve as a team physician within the Boston Red Sox organization.

Dr. Mc Millan is affiliated with the Rowan School of Osteopathic Medicine and Inspira Health orthopedic residencies and has a passion for teaching and conducting research in a real world setting that will impact the lives of his patients for the better. Dr. Mc Millan was recently appointed to associate professor at the Rowan department of biomedical engineering, as well as the new combined Institute for Regenerative Medicine and Transplantation within the Rowan-Virtua School of Translational Biomedical Engineering and Sciences.

Dr. Mc Millan currently serves on the Board of Directors for the American Osteopathic Academy of Orthopedics (AOAO) as the 2nd Vice President and is a past recipient of the AOAO Emerging Leader Award.
