Student Health Insurance Program

All Rowan-Virtua SOM students are **required to have active health insurance, accepted in NJ**, and therefore must waive or enroll in the student health insurance plan. If you have health insurance through another insurer and seek to waive participation in this coverage, you must complete the online waiver form by **September 22, 2025**.

Completing this process of waiving or enrolling in insurance is an annual requirement for all SOM students.

TO WAIVE OR ENROLL IN AETNA STUDENT HEALTH:

1. Go to [Waiver](#) or [Enrollment](#)
2. Enter your Date of Birth and Student ID
3. Click on “Continue”

The university plan is Aetna Student Health, and you may view the **Summary of Benefits and Coverage** under **Benefit Information** on the [University Health Plans website](#).

Some highlights of the Aetna Student Health plan include:

- Premium \$5,988
- Coverage period: July 15, 2025- July 14, 2026
- PPO Plan - No referrals
- \$350 in-network deductible
- In-network urgent care centers – \$40 copayment for urgent visits, non-urgent visits are not covered
- In-network wellness and preventative care – covered at 100%
- In-network Primary Care office visits - \$30 copay
- In-network prescription drug coverage (Annual \$250 RX deductible)

Please note that you will be required to provide information regarding your plan. **Have your insurance card in front of you** when completing the waiver. Once you have completed the waiver you will receive an email from University Health Plans providing you with a confirmation number. Please keep this confirmation for your records. **The health insurance fee will be removed from your bill within 10 business days. If you already paid this premium, it will be refunded by the Bursar’s Office.**

Please note, waiver submissions will be reviewed by University Health Plans. If University Health Plans is unable to verify your insurance coverage is active, Rowan University will enroll you in the Aetna Student Health plan and your account will be billed accordingly.

Visit this website for [Frequently Asked Questions](#) about the Student Health Insurance Program.
