Student National Medical Association (SNMA)

What is SNMA?
SNMA is the nation’s oldest and largest student organization focused on the needs and concerns of medical students of color. Established in 1964, by students from Howard and Meharry Medical Schools, the SNMA boasts over 40 years of committed service to local communities. The SNMA continues to advocate for improved, culturally sensitive health care services and education for neglected and underserved populations. SNMA widely promotes diversity in medical education and encourages increased enrollment and retention of minority students.

What does SNMA do?
The SNMA chapter at RowanSOM is one of the most active organizations on campus. Some of our past events include:

- Health Fairs
- Community Grand Rounds
- HPREP
- MAPS Program
- IMPACT Week
- Black History Month Events
- Faces of Medicine
- Numerous Community Service Activities
- AND SO MUCH MORE!

How to be a member?
SNMA membership is open to all who wish to make a difference and provide a unique contribution to the health and wellbeing of people of color and underserved communities.

SNMA membership for national members for first years who want to be on Eboard is ~$100.
