Thank you for joining us today. Your support is instrumental in forging a brighter future for healthcare and we are grateful for your commitment.

STRENGTH IN NUMBERS YOUR GIFT IMPACTS OUR MEDICAL STUDENTS

**Here are just a few ways you
can make a difference:**

SOM Annual Fund Scholarship support for deserving students advances our commitment to train future physicians who will serve in our communities. Your donation to the SOM Annual Fund provides much needed scholarships to student doctors to help defray costs of a medical education.

Annual Scholarships

Your minimum annual gift of \$2,000 with a five-year commitment can provide a scholarship in the name of your choosing for a deserving student. The impact of the annual scholarship is immediate—the scholarship is awarded within the year it is received.

Endowed Scholarships Endowments provide a perpetual source of funding and benefit students in a meaningful way. Endowed funds can be created with a minimum gift of \$25,000. Contributions can be made in installments and scholarships will be awarded once the fund is fully endowed.
