

# SOMA

STUDENT OSTEOPATHIC MEDICAL ASSOCIATION

## What is SOMA?

The Student Osteopathic Medical Association is the nation's largest network of osteopathic medical students and is the only direct student affiliate of the American Osteopathic Association (AOA).

Completely student driven, SOMA works hard to provide you with quality resources, opportunities, and guidance to make you a better future physician.

The organization accomplishes this by remaining committed to our shared priorities of student Voice, Development, Accountability, Mentorship, and Visibility

## Why join SOMA?

Be part of **the professional osteopathic student organization, organization**, the only student affiliate of the AOA, representing the osteopathic student voice to the world!

Access **member exclusive discounts** on board prep courses, study tools, travel discounts, financial planning and more

Cultivate your **leadership skills** by serving in local and national organizational positions.

**Influence healthcare policy** make the future of medicine a field in which you would like to practice

**Establish life-long bonds** with people across the country who share your interests and your passion for osteopathic medicine!

Attend **fun and educational conventions** each fall and spring, this year in Anaheim, CA and Washington DC!

Open the door to **endless opportunities** within the medical community

**Gain valuable insight** on all aspects of medical education from those who came before you
