Dear RowanSOM Student Doctors:

Re: Student Health Insurance for 2019-20

This is a friendly reminder. If you already completed the enrollment/waive process for the school's student health insurance, you can disregard this notice.

All RowanSOM students are required to enroll in or waive the student health insurance plan for the 2019-2020 academic year. Under University policy, students are required to have health and accident insurance. If you have health insurance through another insurer and seek to waive participation in this coverage, you must complete the online waiver form by September 20, 2019. **If you do not waive the coverage by 9/20/19, the Aetna premium will remain as part of your tuition bill and is non-refundable.**

The Aetna Student Health insurance premium for 2019 is $4,810, and the coverage period is July 15, 2019- July 14, 2020.

Plan information/ summary of benefits and other plan documents can be found at the Aetna website or by visiting: https://www.aetnastudenthealth.com/en/school/686163/members.html.

3. Review the information on the page and then select the "Enroll/Waive" button
4. Select the appropriate student type from the drop down menu

Be sure to have your insurance plan information and insurance card in front of you when completing the waiver questions. You will be required to provide information regarding your plan. Once you have completed the waiver you will receive an email from Aetna providing you with a confirmation number. Please keep this confirmation for your records. The health insurance fee will be removed from your bill within 1-2 weeks.

Waiver submissions will be reviewed by Aetna Student Health. If Aetna is unable to verify your insurance coverage, Rowan University will enroll you in the Aetna Student Health plan and your account will be billed accordingly.
